The Director of Public Instruction Bombay in his D O dated 11th May 1913 asked me on the suggestion of Mr H J Bhabha if I could spare the services of Mr S Srinivasa Rao Supervisor of Sloyd for a period of 2 years and if so at what rate his remuneration should be fixed On enquiring Mr Srinivasa Rao expressed his willingness to serve under the Bombay Government temporarily on condition (1) that he should be paid by the Bombay Government at the rate of Rs 200/- per month exclusive of the pension contribution to be payable by him (2) that he should be paid the usual travelling allowances to and fro for himself and his family (3) that he should be allowed leave and vacations as if he were permanently in the Bombay service and (4) that his appointment here should be seconded during his absence in the Bombay Presidency These conditions were intimated to the Director of Public Instruction on 24th May last and I added that if the terms were agreeable I would address my Government in the matter and would transfer Mr Srinivasa Rao's services at the end of the school year I see from the file that the Bombay Government now require his services for 3 years and have practically agreed to the first three terms I see no objection to lending his services for a period of 3 years from 15th May 1914 His place can be easily filled up
